

Erom Nab Ideal (ENI) has been established at the end of 2012 in Iran-Tehran and is highly active and popular in retail business since then.

We desire hiring a software engineer with below skills:

- B.S in Computer Science or related field, or equivalent experience.
- Over 3 years of professional experience in developing Windows Forms, Applications and WPF using C#.
- Real working experience with SQL Server. Comfortable with creating stored procedures, views, triggers and tables.
- Comfortable with designing relational databases.
- Strong Understanding of Web Services Architecture (SOAP, REST etc.)
- Strong understanding of Object Oriented Programming.
- Strong personal organization and time management skills.
- Ability to work within a team and as an individual.
- Fast Learning and self-motivated.
- Desired start time: ASAP

This position is especially attractive for developers who want to expand their skills in Microsoft ERP Solution: MS Dynamics AX.
